From the legendary New York Times bestselling author of *Flowers in the Attic* and *My Sweet Audrina* (now Lifetime movies) comes the first book in a new series featuring identical twin sisters forced to act, look, and feel truly identical by a perfectionist mother. For fans of Ruth Ware (*The Woman in Cabin 10*) and Emma Donoghue (*Room*). Alike in every single way. with one dark exception. As identical twins, their mother insists that everything about them be identical: their clothes, their toys, their friends . . . the number of letters in their names, Haylee Blossom Fitzgerald and Kaylee Blossom Fitzgerald. If one gets a hug, the other must too. If one gets punished, the other must be too. Homeschooled at an early age, when the girls attend a real high school they find little ways to highlight the differences between them. But when Haylee runs headfirst into the dating scene, both sisters are thrust into a world their mother never prepared them for--causing one twin to pursue the ultimate independence. The one difference between the two girls may spell the difference between life. and a fate worse than death. Written with the taboo-breaking, gothic atmosphere that V.C. Andrews is loved for, *The Mirror Sisters* is the latest in her long line of spellbinding novels about mysterious families and tormented love.
